PROFESSIONAL VALETING PRODUCTS

ПРОФЕСИОНАЛ ВАЛЕТИНГ ПРОДУКТИ

sanro

At SAANRO International Ltd we strive to be the very best in our chosen field.

Based in Lancashire, UK, we manufacture an extensive range of professional valeting and detailing products, all to ISO 9001 standards.

It continues to be the Company's philosophy to provide only the highest quality products, together with the best possible service for our customers.

The vision of a unique company dedicated to the individual requirements of our customers, was borne in the late 1990's from a wealth of experience now spanning over 30 years.

Through our commitment to research and development, our team of highly qualified and dedicated staff are continuously looking for innovative ways to improve our products and manufacturing processes. Our drive for excellence ensures that we are recognised as a market leader in the field of cutting-edge vehicle cleaning technology.

TRAFFIC FILM REMOVERS

FOAMING TFR

Super concentrated, non-caustic TFR with unique foaming characteristics, enabling the product to 'cling' to vehicle bodywork.

FTFR 5/25/205/1000

ENERGIZE

A premium, ultra-concentrated, non-caustic TFR designed with the highest quality surfactants for added performance and extra foam.

EN 5/25/205/1000

G-FORCE

Entry level TFR to our 'Force' range. Concentrated, caustic TFR.

GF 5/25/205/1000

TRUCK OFF

Super concentrated premier cab and truck wash, specifically designed for use on HGVs.

TO 5/25/205/1000

FULL-FORCE™

The top of our 'FORCE' range, FULL FORCE utilises the latest superior strength surfactants. Ultra-Concentrated and Biodegradable.

FF 5/25/205/1000

TFR HD

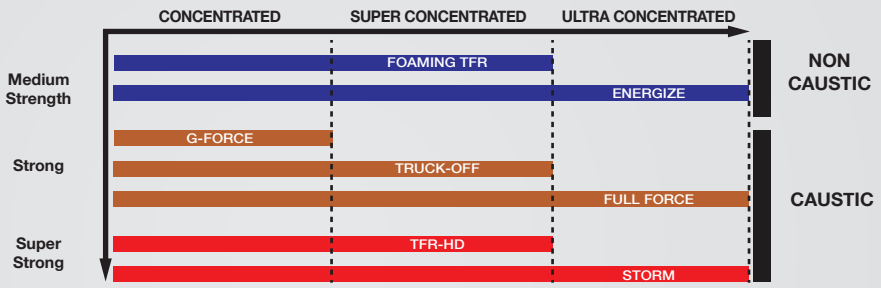

Super Strength, heavy duty & super concentrate.

TFRHD 5/25/205/1000

STORM

A powerful, maximum strength, heavy duty traffic film remover for use on curtain-sided HGVs and industrial plant. Ultra-concentrated.

STORM 5/25/205/1000

TYRE COCOON™

A double action, high lustre conditioner that cleans and shines all exterior rubber and plastics. Contains silicones for a lasting shine. Leaves tyres looking 'as new' and in showroom condition.

TC 5/25/205

WHEEL WIZARD™

Recommended for lightly soiled wheels and wheel trims. Suitable for frequent use.

WWIZ 5/25/205

XXX EXTREME WHEEL CLEANER

Our strongest formulation. A commercial product for specialist use only.

XXX 5/25/205

EXTERIOR PRODUCTS

PAINTWORK & BUMPER RENOVATIONS

REBORN™

A highly specialised, superior car polish containing an extra-fine cutting compound. Particularly effective on paintwork which initially exhibits a slight bloom (a paint flattening effect). Contains a mild cutting effect which, together with the waxes present in this formulation, leaves vehicle bodywork looking as good as new.

RE 1/5

SILK SHEEN

Probably the best sheen available on the market today. The product is dry to the touch and leaves an attractive silk finish. For exterior and interior use on plastics and rubber of all types. Contains a high-lustre conditioner that cleans, shines and leaves surfaces' dry and free from sticky residues. Perfumed. Contains no colourants.

SILK 5/25/205

FLAT OUT™

A medium vehicle cutting compound. Use by hand or in conjunction with a buffing machine.

FO5

VINYL & BUMPER GEL

An easy to use vinyl & bumper gel. Leaves a very shiny finish. Recommended for exterior use only. Silicone Free.

VBG 2.5

We are an official distributor of Farecla products as an ideal compliment to our existing range of bodyshop products.

HI-FOAM

Incredibly high-foaming product. Used in roll-over wash systems and hand car washes.

HIFO 5/25/205

CLEAN 'N' GLEAM™

Our best-selling, highly concentrated wash 'n' wax formulated to clean the surface of any vehicle whilst imparting a deep shine to the vehicles' paintwork.

CNG 5/25/205

DUO™

Our highest quality Wash 'N' Wax formula which will assist in giving a deep, gloss shine to vehicle paintwork. Use in conjunction with a sponge. NOT designed to be used through a pressure washer. Contains wax to help preserve the lustre of the paintwork.

DUO 5/25/205

VEHICLE WAXES

PLATINUM WAX™

The very highest quality wax used in vehicle preparation. Very easy to apply and remove. Leaves a very deep lustre to paintwork with no residual “swirl” marks associated with most polishes.

PW 1/5

SAPPHIRE

A superior-quality exterior vehicle dressing. Enhances vehicle paintwork and leaves a streak-free, shiny finish.

SAPP 5/25/205

REBORN™

A highly specialised, superior car polish containing an extra-fine cutting compound. Particularly effective on paintwork which initially exhibits a slight bloom (a paint flattening effect). Contains a mild cutting effect which, together with the waxes present in this formulation, leaves vehicle bodywork looking as good as new.

RE 1/5

GLASS CLEANERS

VISION

A water-based glass cleaner. Often used for the quick and effective removal of finger marks from showroom vehicles. For best results, apply and remove using paper tissue.

VIS 1/5/25/205

EMERALD™

For the professional polishing of vehicle windscreens etc. and wiper blades. Produces an extremely low amount of powdering. This product contains **no silicones** and is therefore suitable for bodyshops.

E 1/5

BLACK MAGIC

High Quality, solvent-free rubber & plastic dressing. Enhances and protects all vinyl & plastic surfaces, leaving them with a dry, smear-free, **satin** finish

BM 5/25/205

ULTRA VIOLET

High quality, solvent-free rubber & plastic dressing with a pleasant fragrance. Enhances and protects all vinyl & plastic surfaces, leaving them with a dry, smear-free, medium-gloss finish.

UV 5/25/205

SILK SHEEN

Probably the best sheen available on the market today. The product is dry to the touch and leaves an attractive silk finish. For exterior and interior use on plastics and rubber of all types. Contains a high-lustre conditioner that cleans, shines and leaves surfaces dry and free from sticky residues. Perfumed. Contains no colourants.

SILK 5/25/205

AUTO-FRESH (VARIOUS FRAGRANCES)

Spray liberally onto vehicle seats and carpets. Leaves a fresh, long lasting fragrance designed to combat unpleasant odours. Supplied in concentrated form. Available in *Paradise, Citrus, Bubble Gum, Cranberry, Cool Wave, Leather, New Car, Pear Drops, Strawberry, Wild Cherry, Watermelon*

AF 5/25

SX101™

SX101 is a uniquely formulated multi-purpose cleaner for use on a multitude of surfaces. SX101 is highly versatile and can be used on carpets, seats, headlinings, dashboards, door-trims, wheels, workshop floors etc. There really are 101 applications for this product. Please note: as with most of the products that we manufacture, if ordered in sufficient quantity, SX101 can be fragranced and coloured to your specification.

SX101 5/25/205

CARPET & UPHOLSTERY CLEANERS

MAGIC CARPET

Designed for the removal of dirt, oil, grease & fats from carpets, door panels & upholstery. Product contains a pleasant, long lasting perfume for added freshness.

MC 5/25/205
